

TOWN OF CLINTON
SUMMER RECREATION PROGRAM

Dear Parents,

Due to our state's funding being cut, causing everyone's budgets to be affected, there are going to be changes to our program. For this year only, both the Borough of Glen Gardner and the Town of Clinton Recreation Commission are able to subsidize a portion of the required cost per child to help keep registration fees down for you and to keep this program running. I thank them greatly for their generosity this year.

The Town of Clinton Summer Recreation Program will meet at Clinton Public School. The program will run from June 28th – July 23rd from 9am-12noon, Monday – Friday. The program will be open to all children who have completed kindergarten through grade 8 and are residents of the Town of Clinton or Glen Gardner. Registration is open to the first **350** children who enroll.

What Do I Need to Do to Register My Child?

The registration fee for the Summer Rec. program is \$70.00 for the 1st child, \$50.00 for the 2nd child, and \$30.00 for each subsequent child. In addition to the registration fee, there is a non-refundable \$5.00 fee for each field trip you sign up your child for. This fee must be included with your registration check. Your returned check is your enrollment confirmation, or you can contact me to confirm registration. Regular registration **CLOSES on Monday, June 14th. (The late registration fee is \$100.00/child – no exceptions).*

ALL enrollment information must be **MAILED to the following address: (Please do not send any forms to school with your child.)**

Health Note: If your child has a severe allergy and may need to have an Epi-Pen administered (and cannot do so on their own), you will be required to attend ALL field trips. The Summer Recreation Staff members are not permitted to administer an Epi-Pen. If your child is able to self-administer, an updated physician's note is required.

Note: Children may be suspended or removed from the program for use of inappropriate language or physical altercations. No refund would be given in this situation.
