.

- Recognition committee Update – Allie, Marcia, Gid. The trophy company will be contacted to see if we can get the plaques by the next meeting.
- Treasurers Update – Carol - \$1223.30 in account. We have a Wal-Mart Account.
- 47 Leigh Update – Laurie – the architect, Susan Rochelle, is putting everything in that we recommended.

### **New Business**

- Minutes posted on [www.clintonnj.gov](http://www.clintonnj.gov) – our minutes can be placed on the town calendar and we can e-mail agenda.
- Newsletter Submission for 2<sup>nd</sup> quarter – Laurie will do May
- Town of Madison Ordinance Review - out of all the ordinances is the most middle of the road and seems a guide for what we would like for Clinton. The most important element to the committee is the fact that review is mandatory in historic sights, but it is voluntary whether the owners make the changes as recommended. Also it would only impact on the outside of the property “street scape”

In 2005 there were only 10 permits issued in the historic district for exterior changes. This amount would make it possible for our committee to review.

The most important pages of the ordinance are 10 through 13 including the demolition piece. Craig will e-mail them to committee who can make changes on them and return to Craig by Friday 4/28/06
