

**Clinton Historical Preservation Commission**  
**Minutes of meeting**  
**Sept. 16th, 2009**

Members present- Miller, Platt, Baka, McGaheran, Hansen, Wood

Rose presented the members with an estimate of what the new computer set up would cost.

We were charged \$265 for our website, but were not made aware of it. Rose will contest it.

We intend to ask the town to pay for our computer, as they offered in the past.

We have, as of today, \$1,297.50 in our budget.

Rose asked the town clerk about Art Dysart coming in to build the unit next to the fireplace. We would have to purchase the materials ourselves. We plan to obtain 2 additional quotes from contractors.

Dorothea showed us the Campanelli print. A thank you letter will go out.

Rose's son may be able to make our sticker as a High School project and we would need only to supply materials.

We need to get our proposal list to John Hurley. Allie will get his contact info to Christie. We will ask him for the funds to pay for the cabinet and remind him of the fact that it will display Mulligan Quarry artifacts.

We need to get in touch with George about the Ordinance paperwork, which he has.

Marcia has the old Clinton pamphlet with her tonight and wants to see it reprinted ASAP, even if it has to be at her own expense.

Allie would like to donate some nice antique books to our forming library.

On Thursday, Oct. 1st at 1 pm, we will meet at 47 Leigh to learn how to scan and store photos.
