Dear Residents of Clinton:

If you recall, On May 31st, we had to cancel the contract with the former vendor who we contracted with to provide a location in-Town for residents to recycle their old or broken electronics (IE: TV's, Computer Monitors, radios, etc...). We are extremely pleased to inform you that we have been able contract with a new company and are now able to restore the electronics recycling that we temporarily halted.

Please spread the word that this great program has been restored!

We apologize for any inconvenience this has caused, and thank you for your understanding and support.

Sincerely,

Janice Kovach
Mayor
