

# Clinton Historic Preservation Commission

Minutes of meeting

May 19, 2010

Members present- Leddy, Miller, Crawford-Jones, Insel, Platt, Wood, McGaheran, Tiboni

Rose gave out copies of the ordinance that she received from George. She proposed that we add some light architectural standards. Laurie says it will be hard enough to pass as it is.

Laurie says she will contact the Highlands Council to ask them what they are proposing for preservation, so that all the burden will not be on us.

Our Facebook page is not yet active. Also, Rose will contact Ceil about cancelling our yearly website fee.

George Tiboni is present tonight after a long hiatus and has announced that he can be present at Commission meetings henceforth.

Allie brought in some additional artifacts.
