

Recreation Commission Meeting Minutes  
July 16, 2020 7:30 PM

Members Present:

Brad Cohen

Megan Johnson

Lisa Intrabartola

Fran Daley

Paul Arnold

Jeremy Padmos

Dave Kelleher

Nancy Smith

Minutes for June 18, 2020, were approved by Jeremy and seconded by Dave.

Minutes for July 9, 2020, were approved by Brad and seconded by Megan.

Drive-In Movie Update

We are planning the event in cooperation with the Restart Committee.

The event will be held August 20th with a raindate of August 27th. A Thursday was chosen in order not to detract from weekend downtown events and business, as well as to lower the event cost. The new date is pending final approval from FunFlix. Hunt's Mill appears to be the preferred location for evening lighting. The Town police recommend Hunt's Mill for managing the event traffic. David is seeking Buildings and Grounds approval. Paul will conduct outreach to Town restaurants for takeout promotion. The movie title is TBD. PG13 titles may be considered due to the hour. Bathroom facility planning and disinfection requirements are being discussed.

Fireworks

Megan spoke with vendors regarding fireworks displays for September, potentially 9/5 or 9/12.

Field Use

There are no approved field requests.

There is concern that the distribution process for keys needs to be reconsidered.

There have been several requests denied due to inadequate insurance.

Unauthorized field modifications required DPW repair.

Tennis Courts

There was discussion of potentially closing the tennis courts until they can be repaved.

Future Meetings

Upcoming events may require an emergency meeting in August.
