

BOARD OF RECREATION COMMISSIONERS

May 16 , 2019

Members Present:

Lisa Intrabartola	Jeremy Padmos
Nancy Smith	Fran Daley
Brad Cohen	Rosemary Pendergast
Paul Arnold	

Councilman Michael Humphries was also in attendance

Rosemary opened the meeting at 7:35 pm

MINUTES

Motion by Brad Cohen, seconded by Paul Arnold, to approve the minutes of the April 18th, 2019 meeting. Vote all ayes, motion carried.

VOLUNTEER FAIR

Councilman Michael Humphries presented his idea for a Volunteer Fair – the various organizations in Town, Fire Department, Rescue Squad, Recreation, etc. – would each have a table with brochures about their organization and members to answer questions. He envisions the Volunteer Fair to be 2 hours in length, from 5:30 pm to 7:30 pm, so residents can stop in on way home from work. Councilman Humphries is looking to use the Community Center on Wednesday, September 11th. Discussion followed. Jazzercise will have to be cancelled for that evening. Members approved the concept and asked Councilman Humphries to provide more detailed information as the date comes closer.

TOWN PICNIC

Everything is set for June 8th, and volunteers are still needed.

SENIOR LUNCHEON

The Senior Luncheon was held on Sunday, May 5th, 2019 at the Clinton Firehouse. We only had 31 town residents in attendance. Nancy had sent out about 140 invitations to residents. There is a need to get the younger 60's to attend. The Girl Scouts were very helpful (as were the two brothers) in setting up, serving and handing out the prizes.

Comments on the meal – Rosemary said the pineapple was out of a can and cut up, last year's dessert was better, but the meal itself was delicious.

Thank-you letters were sent to ShopRite, Towne Restaurant, and each individual volunteer.

TENNIS PROGRAM

Brad has been in touch with the High School and he wanted some background information about the Supervisor and the age of the instructors. It was suggested that he contact Don Berkman.

SUMMER RECREATION

Lisa said she is meeting with Seth Cohen, CPS Superintendent and the head of security to discuss the possibility of Summer Recreation being a full-day program. Lisa also said that Before & After Care is paid by the user, not the school.
