

## **TOWN OF CLINTON SHADE TREE COMMISSION MINUTES**

April 1, 2021 at 7:30 PM via Zoom

Attendees: John Kashwick, Pat Daley, Dan Shea

Chair John Kashwick called the meeting to order at 7:32 PM.

Motion to approve minutes from 2/18/21 was made by Dan and seconded by Pat and passed by voice vote.

We received our Tree City USA designation approved for year 37.

John reminded everyone to sign-up for CEUs.

Dan submitted a takedown list and ask the other commission members to review the list and take a look at the trees in person.

John needs the crown dimensions of the sycamore by Clean Plate in order to complete the "Big Tree" nomination.

Pat contacted the elementary school for Arbor Day but they are not doing field trips. We are considering a virtual event that we could possibly livestream to the school or appear on social media. Plan is to plant an oak tree at Water Street Parking Lot and dedicate the tree to Frank Hooper, founder of Clinton Christmas Parade and Bonfire. Motion by Dan second Pat and passed by voice vote.

We need to obtain new members.

Motion to adjourn at 7:59 PM.

Repectfully submitted

John Kashwick
