Mr. Wayne Ingram:

The New Jersey Department of Transportation, Office of Major Access Permits has received your application and the required application fee. This letter is to certify that your application has been found to be complete, in conformance and in compliance as per the checklist outlined in the Access Code. The review process for your application has begun and has been assigned to Mr. Elmer Baird of this office. Please be advised that you are the direct person of contact for the application. All correspondence, including emails and letters, will be sent to your attention only. Any request for information about this application, by anyone other than yourself, will require an Open Public Records Act request. Please notify all parties associated with the application of this process.

Please note that this consideration does not relieve you or others from addressing the comments, discrepancies, recommendations or requirements noted during the review process and/or any other requirements of the New Jersey Department of Transportation and the Access Code. If you have any further questions please contact Mr. Elmer Baird at (609) 963-1342.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Hewitson".
