The following outdoor recreational businesses or activities that were closed by paragraph 9 of Executive Order No.107 (2020) are permitted to reopen to the public or their members:

- a. Archery ranges;
- b. Batting cages;
- c. Golf driving ranges;
- d. Horseback riding;
- e. Shooting ranges; and
- f. Tennis clubs.

2. The following shall remain closed at outdoor recreational businesses or activities permitted to open pursuant to paragraph 1 of this Order:

- a. Picnic areas;
- b. Playgrounds;
- c. Pavilions;
- d. Fitness centers;
- e. Locker rooms; and
- f. Other buildings, amenities, or facilities, except for restrooms and facilities providing access to an outdoor facility where no other means of access is available.

3. Outdoor recreational businesses or activities permitted to reopen pursuant to paragraph 1 of this Order shall adopt policies that include, at minimum, the following requirements:

- a. Require that reservations, cancellations and pre-payments be made via electronic or telephone reservation systems to limit physical interactions. Such policies shall,

wherever possible, consider populations that do not have access to internet service or credit cards;

- b. Limit capacity to no more than 10 people at the same time consistent with the restrictions contained within paragraph 5 of Executive Order No.107 (2020) and paragraph 8 of Executive Order No.142 (2020);
- c. Install a physical barrier, such as a shield guard, between visitors and employees wherever feasible or otherwise ensuring six feet of distance between those individuals, except at the moment of payment;
- d. Limit the use of equipment rented or otherwise provided by the recreational business to one person, excluding immediate family members, caretakers, household members, or romantic partners;
- e. Demarcate and post signs that denote six feet of spacing in all commonly used and other applicable areas or where people may form a line;
- f. Require infection control practices, such as regular hand washing, coughing and sneezing etiquette, and proper tissue usage and disposal;
- g. Provide employees break time for repeated handwashing throughout the workday;
- h. Provide sanitization materials, such as hand sanitizer and sanitizing wipes, to staff and customers;
- i. Limit occupancy in restrooms that remain open to avoid over-crowding and maintain social distancing through signage and, where practicable, the utilization of attendants to monitor capacity; and
- j. Require frequent sanitization of high-touch areas including, at minimum, the following cleaning protocols:
 - i. Routinely clean and disinfect all high-touch areas in accordance with the Department of Health (“DOH”) and CDC guidelines, particularly in spaces that are accessible to staff, customers, or members, or other individuals, including, but not limited to, restroom and locker facilities, counter tops, hand rails, door knobs, other common surfaces, safety equipment, and other frequently touched surfaces including employee used equipment, and ensure cleaning procedures following a known or potential exposure in compliance with CDC recommendations;
 - ii. Clean and disinfect equipment that is rented, including but not limited to, firearms, helmets, bats, mitts, gloves, balls, bows, arrows, clubs, and tennis rackets, in accordance with CDC and DOH guidelines; and

- iii. Train and equip employees to perform the above protocols effectively and in a manner that promotes the safety of the visitors and staff;
- k. Place additional restrictions on areas of the business, as necessary, to limit person-to-person interactions and facilitate appropriate social distancing;
- l. Immediately separate and send home workers who appear to have symptoms consistent with COVID-19 illness upon arrival at work or who become sick during the day;
- m. Promptly notify workers of any known exposure to COVID-19 at the worksite, consistent with the confidentiality requirements of the Americans with Disabilities Act and any other applicable laws;
- n. Clean and disinfect the worksite in accordance with CDC guidelines when a worker at the site has been diagnosed with COVID-19 illness; and
- o. Continue to follow guidelines and directives issued by the New Jersey Department of Health, the CDC and the Occupational Health and Safety Administration, as applicable, for maintaining a clean, safe and healthy work environment.
