NJOEM Order 2020-8 Hotels

4/5/20

NOW, THEREFORE, I, Patrick J. Callahan, State Director of Emergency Management, hereby ORDER as follows:

1. Paragraph 3 of Executive Order No. 108 (2020) is hereby amended to allow municipalities and counties to impose additional restrictions in response to COVID-19 on the ability of hotels, motels, guest houses, or private residences, or parts thereof, to accept new transient guests or seasonal tenants after the effective date of this order.

2. As used in this Order, the term “transient guest or seasonal tenant” described in paragraph 1 shall not include: (i) individuals housed as a part of State-directed non-congregate shelter initiative, (ii) individuals taking temporary residence supported by Federal, State, or local emergency and/or other housing assistance, or (iii) healthcare workers taking temporary residence.

It is the responsibility of the individual businesses to monitor compliance of their customers and employees with social distancing guidelines and shall remain responsible for any illnesses contracted by their employees or customers as a result of failure to comply with such guidelines. Routine Covid-19 sanitization procedures should be constantly followed to diminish the likelihood of further spread of the virus.

This advisement and the list of businesses that are allowed to remain operating may change if the Governor's Office issues further guidance.

This order shall take effect April 5th, 2020 at 8pm.
