UTILITY BILLING

There are several ways water, sewer and garbage bills may be paid: through the Postal Service, on-line through our website where you do not need a password - just continue with the process of on-line bill pay. You may drop payments in the black drop box behind 47 Leigh Street or through the slot on 43 Leigh facing the flag poles. Our only request is that you provide separate checks for each utility as each is a separate bank account, however, they can be sent in the same envelope. Or you can stop into the office and say hello to our staff while paying your bills!
